Note: The Rushcliffe LGB's membership is currently operating in line with the Trent Academies Group Constitution. TAG was dissolved in 2018 and the Rushcliffe LGB is currently reviewing its membership with a view to possibly bringing itself in line with the SAT constitution. No decision on this has been made yet because the existing agreement with SAT was that the governing body would be allowed to continue to operate as it was until resignations brought the numbers inline or below those of the SAT constitution.
